

Services Australia Centrelink benefit provides a payment service known as Centrepay. This service is only available for the payment of the College's Student Resource Scheme, College Laptop Purchase Program and Subject/Academy fees. Extra-curricular activities are not covered by Centrepay payment plans at this college this includes camps and excursions. These items require a separate payment via credit card, direct debit or payment in person. Parents are able to cease or suspend this service or change the deduction amount. The College is notified of changes made and the student's payment profile will be changed accordingly.

- Pimpama State Secondary College's Centrepay Reference Number is: **555-098-960B**
- Account number is your child's name
- Select the amount and frequency
- Add a target amount if you want the payments to stop at a certain amount otherwise it can continue to accrue on your child's account once invoices are paid in full.
- Ensure the payment deduction is clear (eg: FTB or pension)

Payments need to be in line with the College payment calendar due dates.
