

FLEXISCHOOLS STUDENT CARD INSTRUCTIONS

Students can now purchase goods from the canteen using their student card via the FlexiSchools system. FlexiSchools allows parents to budget a pre-loaded amount on their student's card for spending at school.

How Does it Work?

Parent's set up a FlexiSchools account online and pre-load their account with funds. Student's can make purchases at the canteen by swiping their card at the register. The Register shows a photo of the student for security. Parents can view their student's purchases online and can set daily spending limits on the student's card.

Set Up Your Account
