March 10, 2014

Dear Parents/ Guardians

The staff and students at Pimpama SSC have been given a unique opportunity to join the Gold Coast City Council library en masse, as opposed to requiring students and their parents visit a branch to join.

Gold Coast City Council libraries have a wealth of valuable resources that students can access for free, both within the library and at home, provided they are a member.

I strongly recommend you to accept this offer, and encourage your student to make use of the wonderful services provided by the Gold Coast City Council Library. Members are also able to use their services online, at school and home.

As part of the joining and identification procedure, we are required to check your address and signatures for the GCCC Libraries against our school records. By signing the form below, you are giving PSSC office staff permission to check your details, and join your child to the GCCC Library. You are therefore NOT required to provide identification documents as outlined in Step 2 of the registration form.

To accept this offer, please sign and return the permission slip below and the attached registration form to the office. PLEASE NOTE: when filling out the registration form, the parent/guardian details are at the top, student details are at the bottom. Parent/guardian are registering for students.

Thank you for your support.

Sheri Langton
Head of Department: English

John Thornberry
Principal

I ______________________ give permission for Pimpama SSC to join my student/s to the Gold Coast City Council Library.

As part of the registration process, the school has permission to check our current address against school records.
