

A parent is directly responsible for providing the student with textbooks and other resources for a student's use while attending school.

(Policy and Procedure Register, Version 3.0, Department of Education, Training and Employment).

As a service to assist parents with the cost of these educational resources, Pimpama State Secondary College operates a **Student Resource Scheme**.

The **Student Resource Scheme** is a cost effective option for parents to purchase the required items for their child's schooling, through reduced prices gained from the school's bulk purchasing processes. Items required include textbooks, resources, software programs, photocopying, consumables and materials.

Pimpama State Secondary College will purchase these items on your behalf, saving you money and time.

Some specialised subjects and Excellence Programs will incur an additional **levy** that is **not** covered by the Student Resource Scheme. These must be paid in full prior to being placed in a class. This will apply to each semester.

Please be aware that if parents choose **NOT** to enter the Student Resource Scheme, (by selecting 'NO' or not returning the agreement) then they will need to purchase all of the items listed on the following page for the relevant year level.

Student Resource Scheme Participation Fee

<p>Year 7-12</p> <p>\$275 for the first child,</p> <p>\$255 for the second child,</p> <p>\$235 for each subsequent child.</p>

The Student Resource Scheme provides for the participating student's temporary use of the listed resources and is not available in parts.

Student Resource Scheme payments must be up to date for a student to participate in any extra-curricular activities such as inter-school sport, excursions or camps and to have access to resources and software for BYOD and College Laptops.

The Principal and Parents and Citizens Association of Pimpama State Secondary College are proud to be able to extend to you the opportunity to take advantage of the College's Student Resource Scheme.

Pimpama State Secondary College is funded primarily by the State Government to meet the costs associated with the provision of instruction, facilities and administration for the education of all students. Parents/carers do not contribute to the provision of these basic services. This provision is commonly referred to as 'free education'. Other costs associated with providing for a student's education are not free. **The cost of text books and additional resources has always been the responsibility of parents and students.** Schools are authorised under Chapter 3. Section 51, Education (General Provisions) Act 2006 to charge fees for a range of services.

The scheme's major purpose is to provide an extremely cost effective and efficient strategy to parents and students which:

- Reduces the heavy financial outlay for parents in providing a wide variety of student resources
- Eliminates shopping for textbooks and resources
- Gives student access to a wide range of up-to-date resources
- Supplements consumable resources which are used to ensure real life learning experiences for our students
- Assists in maintaining a high level of technology across the college learning environment
- Accommodates a range of school based workplace programs to enhance student skill development

Our students will graduate from Pimpama State Secondary College into a highly competitive environment and it is our goal to provide for our students the best possible outcomes.

All monies raised through this scheme are expended directly on the students of the College on an annual basis.

The Government Textbook Allowance is paid by the Queensland Government once per year per student in Years 7 -12. These funds are given directly to the College. (2016 values Years 7-10 \$121; Years 11-12 \$262). The College Levies are **in addition** to the Government allowance.

The following items are **NOT** covered by the Student Resource Scheme:

(FNM-PR-018). Parents/carers will always be notified if the account falls into arrears and it is expected payment will be promptly received.
