

This form must be completed for all students who bring their own device to school.  
This form will cover students for the duration of their enrolment.

### Student Details

Year Level  Year 7  Year 8  Year 9  Year 10  Year 11  Year 12

Last Name

First Name

iPads are supported for all year levels in 2023. Laptops are supported for Years 10-12. **Laptops are not supported for Years 7, 8 & 9.** Laptops may be *required* for certain specialist Middle & Senior subjects. For a complete list of subjects requiring a Laptop, please see the Middle or Senior School Curriculum Handbook.

### Minimum iPad Specifications

(All Year Levels)

<b>Model/Series:</b> <ul style="list-style-type: none"> <li>• iPad (7<sup>th</sup> Gen or Later)</li> <li>• iPad Air (3<sup>rd</sup> Gen or Later)</li> <li>• iPad Pro</li> </ul>	<b>Required Accessories:</b> <ul style="list-style-type: none"> <li>• Apple Pencil or Logitech Crayon</li> <li>• Case</li> </ul>
<b>Screen Size:</b> 9.5" or Larger	<b>Optional Accessory:</b> Keyboard/Keyboard Case
<b>Operating System:</b> iPadOS <i>(NOTE: iPads running iOS are not supported)</i>	<b>Storage Capacity:</b> 64GB or more
<b>Note:</b> iPads are available as either Wi-Fi only, or Wi-Fi & Cellular models, students with cellular models will not have any additional advantages over students without, as students will need to be connected to the College network to access resources & internet. We recommend purchasing a Wi-Fi only model, as this saves on additional costs.	

### Minimum Laptop Specifications

(Middle & Senior School Specialist Subjects)

<b>Processor:</b> <ul style="list-style-type: none"> <li>• Intel Core i3 or higher</li> <li>• AMD Ryzen 3 or higher</li> <li>• Apple M1 or higher</li> </ul>	<b>Battery:</b> 6+ Hr Capacity
<b>RAM:</b> 8GB or more	<b>Screen Size:</b> 11" or larger
<b>Hard Drive:</b> 128GB or more	<b>Wireless:</b> 802.11ac 5GHz
<b>Operating System:</b> Windows 10/11 (Home, Pro or Education) or MacOS 11+ (Big Sur)	<b>User Permissions:</b> Full Administrator
<b>Note:</b> Devices that are running Windows 10/11 in S Mode, devices that do not support 5GHz networks and user accounts without administrative permissions on the device are not supported by the department's networking software.	

### Additional Information

We highly recommend that all devices are purchased with extended warranty and/or accidental damage protection to ensure repair coverage in case of hardware failure, damage, loss, or theft. Some home & contents insurance packages may cover personal electronic devices.

### Conditions of Acceptance

<input type="checkbox"/>	I confirm that my student's device meets the minimum requirements and acknowledge that College IT Staff may refuse to connect any device that does not meet the minimum BYOD requirements.
<input type="checkbox"/>	I confirm that my student's device supports 5GHz Wi-Fi (802.11ac)
<input type="checkbox"/>	I have read and understood the College BYOD guidelines (and supporting documents) and agree to abide by them. I am aware that I must not fall into arrears with the Student Resource Scheme (SRS) or access to resources may be restricted.
<input type="checkbox"/>	I authorise the college IT Support Staff to install software on the device and enrol in the College's MDM (Mobile Device Management System).
<input type="checkbox"/>	I understand that the Bring Your Own Device Participation Agreement and Minimum Device Specifications may be updated periodically and that I will need to check for updated requirements before purchasing a new device for my student.
