# Active School Account *(Recommended)*

Step 1

Open the Company Portal App & Select the Devices Tab

Make sure your current device is selected, then click on the options menu (●●●). Select "Remove device".

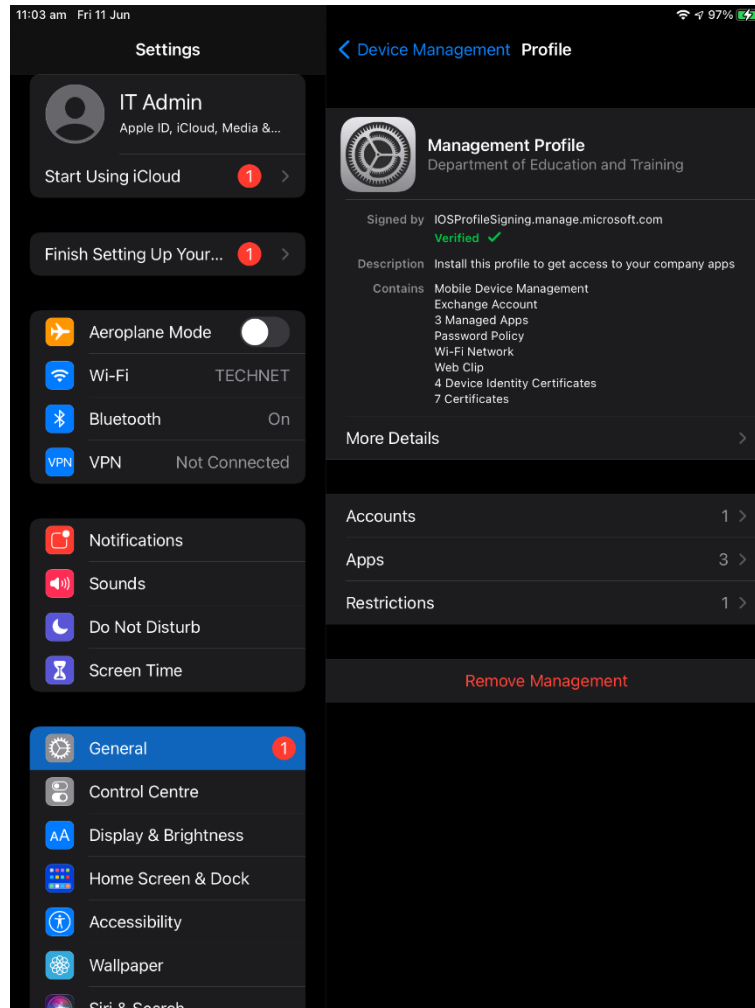

Step 2

Accept the removal prompt.

Click "Remove" to remove the management profile, and all College settings and Apps from the device.

Inactive School Account

Step 1

Open "Settings" select "General", then "Device Management".
Tap "Management Profile", then tap "Remove Management".

Step 2

Accept the removal prompt.
Enter your passcode when prompted, then tap "Remove" to remove the management profile, and all College settings and Apps from the device.
